

GRADE 1 SOCIAL STUDIES

First grade social studies instruction encompasses a variety of topics in the areas of Government & Citizenship, Economics, Geography, and History.

Examples of first grade units and objectives:

Government & Citizenship

- Explain the importance of rules in the classroom and school community.
- Define and give examples of respect for self and others.
- Demonstrate responsibilities in the classroom.

Economics

- Identify individuals who work in the community.
- Identify different jobs and the purpose of each.

Geography & History

- Identify significant American holidays and their symbols.
